In such situation, when the pandemic is going on, baseless and reckless allegations are made against the Registry of this Court, which is part and parcel of the judicial system. We take judicial notice of the fact that such evil is also spreading in the various High Courts, and Registry is blamed unnecessarily for no good reasons. It is to be remembered by worthy lawyers that they are the part of the judicial system; they are officers of the Court and are a class apart in the society.

Regarding exemplary behaviour from members of noble profession, in R. Muthukrishnan v. The Registrar General of the High Court of Judicature at Madras, Writ Petition (C) No.612 of 2016, the Court observed in paragraph Nos. 23 and 24 concerning the expectation from gentlemen lawyers, thus:

professional ethics and to maintain the high standard. His duty is to the court, to his own client, to the opposite side, and to maintain the respect of opposite party counsel also. What may be proper to others in the society, may be improper for him to do as he belongs to a respected intellectual class of the society and a member of the noble profession, the expectation from him is higher. Advocates are treated with respect in society. People repose immense faith in the judiciary and judicial system and the first person who deals with them is a lawyer. Litigants repose faith in a lawyer and share with them privileged information. They put their signatures wherever asked by a Lawyer. An advocate is supposed to protect their rights and to ensure that untainted justice is delivered to his cause.

24. The high values of the noble profession have to be protected by all concerned at all costs and in all the circumstances cannot be forgotten even by the youngsters in the fight of survival in formative years. The nobility of legal profession requires an Advocate to remember that he is not over attached to any case as Advocate does not win or lose a case, real recipient of justice is behind the curtain, who is at the receiving end. As a matter of fact, we do not give to a litigant anything except recognizing his rights. A litigant has a right to be impartially advised by a lawyer. Advocates are not supposed to be money quizzlers or ambulance chasers."
